

Department Of Computer Science and Engineering
Kathmandu University
Dhulikhel, Kavre

Subject: Laboratory Work

Course: COMP 310

Level: BE 3rd Year/ 1st Semester

Credit Hours: 1

Description:

In this course, students are engaged partly in doing lab works for COMP 301 – Principles of Programming Languages and COEG 304 – Instrumentation and Control. Hence the lab works are shared between the two courses. The objective of the course is to prepare the students for programming as well as control and automation concepts required for working on software/hardware related projects.
