

Department Of Computer Science and Engineering
Kathmandu University
Dhulikhel, Kavre

Subject: Combined Project

Course: COMP 408

Level: B.E./B.Sc 4th Year/ 2nd Semester

Credit Hours: 6

Description:

Internship provides students with the opportunity to receive academic credit for supervised, professional level service and work experience. After completion of course work, final year students must work for 3 months at industries as a part of the academic requirement. This allows the students to acquire the corporate knowledge, hands-on technical skills, soft-skills and placement. At the same time, the industries benefit in terms of lead-time and human resource identification, thus creating synergy between industry and institute.
